**C. Findings/Conclusions**

1. The I.E.P. Team has determined that a severe discrepancy between ability and achievement exists in the following area(s):

- Listening Comprehension
- Oral Expression
- Written Expression
- Math Reasoning
- Basic Reading Skills
- Reading Comprehension
- Math Calculation

2. The discrepancy is the result of a disorder in a basic psychological process:

- Attention
- Visual Processing
- Auditory Process
- Sensory-Motor Skills
- Association
- Conceptualization
- Expression

**D. Certification**

We have considered the relevant information in arriving at these conclusions and have determined that the discrepancy is not primarily the result of limited school experience or poor school attendance.
